EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claims 14-20, 23 and 24 have been cancelled by the examiner as being drawn to a non-elected invention, the election made without traverse on 1/14/2005.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the prior art of record does not disclose or suggest the combination that would teach a method of detecting unidentified slave devices in a system including the step of; pre-loading one or more slave device identifications into the master device of the system before connecting the one or more slave devices to the system; and then after the pre-loading step; the step of connecting at least one slave device to the system; followed by the step of issuing a detection command on the system from the master device; and followed by the step of issuing a response only from any slave devices on the system that have not been identified to the master device in the previous pre-loading step above; each issued response including the slave device's identification. Neither of the references previously

applied against the claims, US 5,014,622 to Jillian or ZA 9401443 to Ellis et al. disclose or suggest the combination that would teach such a method.

2. This statement is not intended to necessarily state all the reasons for allowance or all the details why the claims are allowed and has not been written to specifically or impliedly state that all the reasons for allowance are set forth (MPEP 1302.14).

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to James S. Bergin whose telephone number is 571-272-6872. The examiner can normally be reached on Monday - Wednesday and Friday, 8.30 - 5.30.

5. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Michael Carone can be reached on 571-272-6873. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
